

Entry Protocol*

1. A mask is required before entry
2. Upon entry:
 - 2.1. Set aside **ALL** items brought into the facility at the decontamination table
 - 2.2. If you are not wearing gloves, immediately decontaminate your hands at the decontamination table with 70% EtOH and put gloves on (remember to immediately decontaminate the EtOH bottle you just handled)
 - 2.3. Decontaminate **EVERYTHING** brought in: gloves/hands, badges, phones, drink mugs, sample containers, etc.
3. Decontaminate the door handles.

Facility Use Protocol*

1. Gloves must remain on at all times
2. A mask covering the nose and mouth is required at all times (a fitted full face mask is preferred)
3. Food/drink:
 - 3.1. It is preferred users eat / drink outside the facility, however food and drink may be eaten in the designated Food area
 - 3.2. Decontamination of the Food area with 70% EtOH is required after eating

Exit and Reentry Protocol*

1. After a temporary exit, the reentry protocol is the same as the Entry Protocol above
2. Final exit:
 - 2.1. Remove all materials brought in that do not need to remain (trash excepted)
 - 2.2. Upon final exit, use a paper towel wetted with 70% EtOH to wipe down the door handles.

* – Failure to abide by these protocols will result in banning from the facility for the duration of the Covid-19 pandemic.
